

HIDDEN TREASURE MAP

 15-20 minutes

 Find a safe and appropriate place to do this activity and follow all safety instructions from LearnLibre.com.

Materials

- Compass (may use smartphone)
- Items (treasures) to hide
- Buddy
- Activity recording page (print at LearnLibre.com)

Procedure

1. Hide a treasure somewhere in, near, or outside of your learning space.
2. Choose a starting point.
3. Use your compass to figure out the directions to your hidden item, and write them down.
 - Example: Take 3 steps north, then 4 steps northeast, then 2 steps south-southwest.
4. Give your buddy the directions for finding the hidden item.
5. Have your buddy use a compass and follow the directions to find the treasure.
6. Take turns and repeat as many times as you like!
